probability distribution

Search

Results 1-15 of about 313806 containing "probability distribution"

[NEXT >>](#)

WEB PAGES - ABOUT

1. **Statistics Handbook - Probability Distributions**  
Read up on the families of **probability** distributions and learn about practical uses. ... Simulation studies with random numbers generated from using a specific **probability distribution** are often needed. ...  
[www.itl.nist.gov/div898/handbook/eda/section3/eda36.htm](http://www.itl.nist.gov/div898/handbook/eda/section3/eda36.htm)
2. **JavaStat -- Probability Distribution Functions**  
one-tailed" area (from ChiSq to infinity) Fisher F F n1 n2 p Note: p is a "one-tailed" area (from F to infinity) Return to the Interactive Statistics page or to the JCP Home Page Send e-mail to John C. Pezzullo at [johnp71@aol.com](mailto:johnp71@aol.com)  
[members.aol.com/johnp71/pdfs.html](http://members.aol.com/johnp71/pdfs.html)
3. **Probability Distribution**  
... Free condom and lube samples with each and every order! **Probability Distribution-** The weather this weekend ...  
[www.teachmefinance.com/probabilitydistribution.html](http://www.teachmefinance.com/probabilitydistribution.html)
4. **Statistics Glossary - Probability Distributions**  
Learn the definition of a **probability distribution**. Also explains several types of distributions as well as other related terms. ... has either an associated **probability distribution** (discrete random variable) or **probability density function** (continuous ...  
[www.stats.gla.ac.uk/steps/glossary/probability\\_distributions.html](http://www.stats.gla.ac.uk/steps/glossary/probability_distributions.html)
5. **Distribution Function -- from MathWorld**  
The **distribution** function  $D(x)$  (also called the cumulative density function (CDF) or **probability distribution** function), describes the **probability** that a variate  $X$  takes on a value less than or equal to a number  $x$ .  
[mathworld.wolfram.com/DistributionFunction.html](http://mathworld.wolfram.com/DistributionFunction.html)
6. **Probability Distribution**  
... a topic from k12.ed.math. **Probability Distribution** ...  
[mathforum.com/epigone/k12.ed.math/claldclungbleld](http://mathforum.com/epigone/k12.ed.math/claldclungbleld)
7. **Probability Distribution Applet**  
Chose a **probability distribution** and then graph the results. Includes brief explanations of each **distribution**. ... The Binomial **Distribution**.  
**probability density** =  $(n x) p^x (1-p)^{(n-x)}$  ...  
[ic.net/~jnbohr/java/CdfDemoMain.html](http://ic.net/~jnbohr/java/CdfDemoMain.html)
8. **Probability Distributions**  
Find a collection of descriptions of various **probability** distributions commonly used with random data. ... Common **Probability** Distributions. This Compendium describes distributions appropriate for the modeling of random ... A header giving the **distribution** name, parameters, and constraints ...  
[www.geocities.com/~mikemclaughlin/math\\_stat/Dists/Compendium.html](http://www.geocities.com/~mikemclaughlin/math_stat/Dists/Compendium.html)
9. **Gaussian Distribution -- from MathWorld**  
where gives the **probability** that a variate with a Gaussian **distribution** takes on a value in the range ... The Gaussian **probability distribution** with mean and standard deviation is a normalized Gaussian function of the form ...  
[mathworld.wolfram.com/GaussianDistribution.html](http://mathworld.wolfram.com/GaussianDistribution.html)
10. **Bill Paetzke's Statistics TI-83 Programs - Probability Distribution**  
... **Probability Distribution**. Description: Given a **probability distribution**, the mean, variance, standard deviation, and ...  
[www.paetzke.com/ti83programs/moreinfo.php?category=statistics&program=...](http://www.paetzke.com/ti83programs/moreinfo.php?category=statistics&program=...)
11. **Poisson Probability Distribution**  
Poisson **Probability Distribution** The selection of samples many times is performed and related to a given time interval or to a specified region.  
[engineering.uow.edu.au/Courses/Stats/File40.html](http://engineering.uow.edu.au/Courses/Stats/File40.html)
12. **Math Forum - Ask Dr. Math**  
A county with a large number of rural homes is thought to have 60 percent of them insured against fire... Date: 12/22/97 at 19:15:33 From: Smith, Cassandra Subject: **Probability distribution** I have written to you before with ...  
[mathforum.com/library/drmath/view/56582.html](http://mathforum.com/library/drmath/view/56582.html)
13. **Probability Distribution Calculators**  
**Probability Distribution** Calculators Some tables for multiple comparisons I regret to announce that the calculator pages have been closed since CGI scripts are not allowed on our server now.  
[cse.niaes.affrc.go.jp/miwa/probcalc](http://cse.niaes.affrc.go.jp/miwa/probcalc)
14. **The Binomial Probability Distribution**  
The Binomial **Probability Distribution** The binomial **probability distribution** describes experiments with repeated, identical trials. Each trial can have only two possible outcomes: 'Hit' or 'Fail'.  
[www.ps.uci.edu/~schernau/binom.html](http://www.ps.uci.edu/~schernau/binom.html)

15. [Random Variables, Discrete \*\*Probability Distribution\*\*](#)

... Random Variables, Discrete **Probability Distribution**. Introduction. Random Variable ...  
engineering.uow.edu.au/Courses/Stats/File30.html
